Welcome

Welcome to *Good Housekeeping* Live with the *Country Living* Christmas Market – and to the official start of Christmas!

We're thrilled that you're joining us to get the party (and the magic) started. *Good Housekeeping* and *Country Living* have always been about celebrating the pleasures of home, family, friends and traditions, so bringing our worlds together for four days of inspiration, ideas, expert advice and festive fun feels like the perfect way to say: **let's go, Christmas!**

Shop this year's Christmas market, taste test all the delicious food (and wine!), be entertained by our brilliant teams and star guests, then get yourself a festive glow-up to make yourself feel extra special.

We'll also be leading shopping guides around the show at 3.30pm each day, so we hope you'll join us.

Whether you're here to stock up on gifts, pick up brilliant ideas, meet some familiar faces or simply enjoy a little festive escape, we hope you have a wonderful day.

Merry Christmas, everyone!
